Stap 2: Create your own account with your room number. For your own safety do not use similar passwords as other personal accounts.

Stap 3: kies het juiste wasruimte.

Tip: wasruimte A is op de derde verdieping, blauwe gang. wasruimte B is op de begane grond, gele gang. wasruimte C is op de derde verdieping, gele gang.

Step 3: choose the right laundry room. Tip: laundry room A is on the third floor, blue hallway. laundry room B is on the ground floor, yellow hallway. laundry room C is on the third floor, yellow hallway.

Stap 4: Kies een gewenst en beschikbaar tijdslot. In dit voorbeeld wordt gekozen voor dinsdag om 14:30. Donkergrijs geeft aan dat de was uur al voorbij is. In het overzicht hieronder geven de blauwe vakjes met A1 en A2 alle toekomstige (beschikbare) was uren aan. Let op: de kleuren verschillen per wasruimte. Let ook op dat alle wasmachines en unieke combinatie van letter en nummer hebben. Zorg dat je het juiste apparaat gebruikt.

In the picture above, the blue boxes with A1 and A2 indicate all future (available) washing hours. Note: the colors vary by laundry room. Also note that all washing machines have a unique combination of letter and number. Make sure you use the right machine.

Stap 5: Klik op "DRYER" links boven voor een overzicht van het droogschema. Hier kun je op hetzelfde manier voor de drogers een reservering aanmaken.
